

# Tongue Thrust Therapy

...using skype™

Available for  
all ages!

## Rural, remote, or just too far to drive?

Vincent Borg, Specialist Speech Pathologist and Orofacial Myologist, is now offering therapy for tongue thrust via Skype in addition to our clinic based services.

All you need is a webcam and internet connection!

15 years of orofacial experience direct to you!

Patients who present with dental malocclusions related to;

- Tongue thrust swallow
- Thumb/digit-sucking
- Chronic open mouth
- Open bite.

Contact Box Hill Speech Pathology for any further enquires or an appointment.
